

Le bateau qui a des jambes ,la  
route des tonneaux et des  
canons 

Le 25 juin 2011

A large, rusted metal structure, possibly a boat or industrial component, is shown. It has a yellow sign with the text "CONVOI EXCEPTIONNEL" (Exceptional Convoy) written on it. The structure is made of dark brown and grey metal plates, with some wooden slats visible in the center. It is positioned on a paved surface, and there are utility poles and trees in the background.

**CONVOI  
EXCEPTIONNEL**
